

## Phone Calls

Wednesday, March 12, 2014  
8:07 AM

One weekend,  
Five people made telephone  
calls to various part of the  
country.

They recorded both the cost of  
their calls, and the length of  
time they were on the  
telephone, on the graph below:

- Who was ringing long distance?  
Explain
- Who was making a local call?  
Explain
- Which people were dialing roughly  
the same distance? Explain
